## SCORING

All scoring will be done by a scorer from next detail. It will be done at monitor at first range. Scorer to remain at monitor whilst firers step off to shoot next ranges.

## AWARDS AND PRIZE TABLE

Badges will be presented to the top 3 in each class with the combined score of the two relevant matches to be used. Prize table will be presented in reverse order, that is lowest overall score gets first choice of prize table and so on till highest overall score gets last choice of prize table.

## RIFLE CLASSES

Each competitor will a nominate rifle for each event at registration.

A competitor can nominate a different rifle for each event. That is 1 rifle for Rifleman, 1 rifle for Sniper, 1 rifle for Marksman.

All rifles nominated must meet the requirements set out below.

**STANDARD CLASS – As per Chapter 16 in SSR's**

**MODIFIED CLASS- As per Chapter 16 in SSR's**

## SNIPER CLASSES

The classes we will run with this year will S1 which is pre 75, S2 which is post 75 and Tactical.

**S1** pre-1975 rifles, this includes No 1 Mk3 HT's, No4T's, k98's etc.

Original or faithful reproductions.

Non-issued scopes will be taped off on respective power setting to the original spec.

No bipods but can be rested on sandbag or similar,

No bench-rest style front rests

Stocks to be original or as close to original as possible, cheek pieces as issued allowed  
Slings as issued or repro.

**S2** - post 1975- this includes the Omark, M82 Parker-Hale up to modern or current rifles.  
Original or faithful reproductions.

Non-issued scopes will be taped off on respective power setting to the original spec.

Bipods may be used or sandbags or similar

No bench-rest style front rests

Stocks to be original or as close to original as possible, cheek pieces, butt spacers allowed.

Slings as issued or repro

With both classes, no back rests, bags or socks filled with medium will be allowed.

**Tactical** is anything that is not included in the above, things like police marksman rifles are one example, Varmint classified rifles is another. Custom built rifles not of an approved military calibre or not having a tactical/hunting style stock or having large contour profiled barrels and having bench rest or target style scopes mounted will not be allowed. Remember we are not playing for a sheep station here, we are just trying to enjoy the discipline and compete on an even playing field with your fellow shooters. Anyone who is deemed not to be toeing the party line will not be allowed to compete.

For the Sniper event, Standard and Modified class service rifles will compete in S1 class.

Any competitor who believes they have a unique or rare rifle will have to prove beyond a shadow of doubt that it is was used, issued, trialed or sampled by a defence force.

Final word is with the organisers, as this is a local club event these rules are final.

**All timed serials will be called over a loud hailer and the signal to start and stop the timed serials will be a siren sounding from the loud hailer. Any shots fired after the siren has sounded will not be counted. RO's word is final.**

Range will be open Friday afternoon for practice.

Food van will be on site for light lunches and coffee etc, we will be shooting straight through so eat when you can.

Self-catering but welcome to use fridges and kitchen area for food prep as long as it is kept clean.

BBQ packs will be available from Friday arvo onwards.

Cost is \$75 for all four events or \$25 per event.

Powered Camping sites are available for \$10 per night per person and includes all amenities, hot showers, flushing toilets, running drinkable water.
